Principal Report (Steve Mumert)

The revised Policies will be voted on by Alberta Education next Thursday after our Board has had a chance to review them and look at the detail that was added. These are just guidelines for our School. Alberta Education evaluation team commended the VCS on our Rural Leadership Program, Stakeholders, our financial system, Board, and Administration and Communication. They recommended improvement to our PAT results, better sharing our practices with other schools, and that the Board needs to update our Charter.
