Fundraising House Competition

Our Term 1 Student Council have chosen the Blessing Bag as their social awareness/action project. This project is dedicated to the homeless and less fortunate by providing them with some of the basic supplies that they need. This is a great way to involve the whole school in a fun, friendly and generous competition.

Attached is a Blessing Bag Checklist of ideas to add to your blessing bag.

Each student can be involved in personalizing their own blessing bag for a man, woman or child. Please attach a note letting us know which house they belong to and drop off to the office by December 20th.

The house that collects the most blessing bags will be awarded 10 points for First Place, with all of the other houses receiving points as well depending on where they finish.

Our 2019 Calendar Order has been placed.

Thank you to everyone who participated!

Money raised will go towards getting the Missoula Theatre back to our school in 2020.
