“Victoria Day Weekend!” Drive Safely!

School News!

The newsletter is available on the Valhalla Community School website.

Just a reminder, when your child(ren) are not going to be in school, **please contact the office** or if you know in advance, put a note in the child's agenda to let us know. We must track absences.

Many thanks for your cooperation as we have moved through this time of colds, flu, etc. Should your child(ren) be ill, it is appreciated that they stay at home until well. Hopefully this **4 day weekend** will get everyone **rested and refreshed** to tackle the **last few weeks** of school.

If you should know of anyone needing a **Pre-Registration** document it is available at the school office. We are accepting **new students (kindergarten to grade 8)** wishing to attend Valhalla Community School beginning **September 2009**. This **pre-registration** document is also available on the **school website**. It may be downloaded, completed then faxed or dropped off at the school office.

Keep those **registration packages** coming in! Most of the **current students** have returned their registration package and **it is appreciated**.

Keep those **Book Banners** coming; you are doing an **excellent** job! Look for the update next week.
