**At this time we have no spare drivers, and because of Covid restrictions bus cancellations will unfortunately be more frequent. Bus times may vary also due to student absenteeism. If a route is cancelled parents will be contacted. If you do not receive a communication, busses are running.**

## **Reminders:**

**Masks are mandatory on the bus and because of this there is no eating allowed.**

**Parent Council desperately needs your help this year!! We have a number of committees that need volunteers as well executive positions to be filled.**

**Healthy Snack Committee:**

- ensure there is always healthy snack options at the school for all students

**Hot Lunch Committee:**

- organize hot lunches for a reasonable price for a set number of times per month (either made in school or brought in from a business)

**Sanitation Committee:**

- organize volunteers to sanitize the school at designated times

**Fundraising Committee:**

- help plan fundraisers that don't put pressure on families. Because of Covid there will be no silent auction this year

**Communications Committee:**

- look into effective ways of communication between parents and teachers.

**All executive positions are open however we urgently need to fill either the Treasurer or Secretary spot.**

Treasurer- Ensure all funds are accounted for, record and maintain the account books (this has been set up in a easy to follow format!)

Secretary – Records minutes of all meetings – take note of what is discussed and what motions are made. A copy of these minutes then gets sent to the school office
