Winter Weather Is Here Again

Even with this amazing fall weather we have been having our winter wear policy is about to take effect!

Parents must ensure all students are dressed appropriately for the weather at all times. All students riding on school buses during winter months shall be required to wear winter footwear and outerwear and to carry with them winter headwear and gloves or mitts from **November 1** to **March 31**. In those cases where students are not appropriately attired for winter conditions, the bus driver shall advise the parent and Principal. Students not dressed appropriately may have parents called to take them home afterschool.

Bus Cancellations can be found on:

Our website: vcs.education

Facebook: Valhalla Community School

Your school bus driver will contact you directly for cancellations as well.
