*It's Time for Kindergarten
Registration!*

Kindergarten registrations are now being accepted at Valhalla Community School!

Orientation will be held on March 19th, 6-7pm in the Kindergarten room.

Valhalla Community School welcomes all children to a safe and nurturing learning environment that respects the uniqueness of each child. We take pride in helping students learn and explore while they build relationships that are based on respect, honesty and integrity. As a public Charter School, our students not only learn the skills they need to excel academically, but they also develop the qualities that will allow them to become confident, compassionate citizens of the future. Kindergarten lays the foundation for future success-both in the classroom and in life. At Valhalla Community School, we work to create a learning experience that recognizes children's individual strengths and encourages their natural inquisitiveness, while preparing them for academic success through our Direct Instruction program

**Please note: To register for Kindergarten, children must be 5 years old as of
December 31, 2019**

**Please make sure to bring your student's birth certificate, legal land description and county rural address
or street address if in town.**

We invite you to call or visit the Valhalla Community School to learn more about our exceptional Charter School program, outstanding teachers and unique learning opportunity. See why so many parents are choosing Valhalla!

To register your child for kindergarten, please call Valhalla Community School

VCS Parents!!

**We require your parental
input and ideas at our AGM!**

One significant project the Board is considering would be the possibility of purchasing a weather station. Wouldn't it be great for our County and for busing decisions? Let's talk about this.

*Our school is also in a
great transition with a
new Superintendent.
Would you like to meet
him??*

We would love to hear what matters to you
as our VCS family.

Please join us March 5th at 7pm at the
school.
