Please Remember:

Arrive 5-10 minutes early. Your masterpiece can't be rushed! We start the class promptly on time.

Painting can be messy. We do provide aprons; however, we suggest wearing older clothing that you're okay with getting a little paint on.

Remember that this class is NO EXPERIENCE NECESSARY. We will guide you through the process. We want you to have a good time so don't sweat it.

Enjoy yourself! This is the most important tip we can give. We want this evening to be enjoyable. We want you to relax and have some time for yourself. Art is very therapeutic, we all need an outlet and that's what The Twisted Paintbrush hopes to deliver.
