Our School Council has organized with Soups & Scoops Café in Hythe a Hot Lunch Program to be delivered to our school every Wednesday during the month. Each Student will be bringing home an order form, 1 for each student. Please fill out and send money with your forms to the office prior to January 15th, cheques made payable to Soups & Scoops Café. No late orders will be accepted after the deadline due to the fact that the supplier has to plan ahead to prepare orders. The first Hot Lunch will be on January 16th. The School Council will not be providing spoons or forks for these days, so if at all possible please send plastic utensils with your child. To cut down on waste and help the environment send re-useable cutlery that they can keep in their desks.

School Council will be providing any condiments required eg. Ketchup or margarine.

One order form per child please to eliminate any confusion. Each student has received their own order form and there are extras available at the office or on the VCS Website.

If you have any questions or concerns please call Sarah Miller @ 1-780-545-0523 or Larissa Fox @ 780-830-6425.

Way to go VCS!!!

We donated 56 Blessing Bags that were very much appreciated by the

Salvation Army on

December 21st

Thank you to all of the Volunteers for the Casino happening this weekend January 11th and 12th. These funds will help immensely and will be used on various projects and equipment purchases for our students

School Council Meetings

There will not be a meeting in the month of January. The first meeting for the new year will be on February 4th @ 6pm. Following this the meetings will be held on the first Monday of the Month on our Early Dismissal Days at 6pm.

The VCS Store organized and ran by our Student Council will now be moved to Mondays instead of Wednesdays. This is due to our new Hot Lunch Program that will be taking place on Wednesdays.

Forms will be sent home on Fridays for the VCS Store on Mondays.

Thank you!
