

April was another busy month for the Charter Board. The results of the election at the Annual General Meeting in March were two new directors: Tara Fehr and Diane Nordhagen, both business women in our community. We would like to welcome them and we look forward to their contributions to the board. Already, we have kept them very busy with a day-long training workshop, a regular board meeting, a planning session, and several committee meetings. Thank you to all who were able to come to the AGM. We appreciate your support and interest.

Planning is ongoing for 2010-2011 and with it comes the need to begin registering next year's students. Space is limited, so students who are already attending our school have been given the first chance to respond if they intend to register for the fall. Once that information is known, it will be determined how many spaces may be left over for new students.

Badminton has wrapped up for the year. Thanks again to Vivian Fowler for a great time with this and with the sports program all year.

In addition, our thanks and appreciation goes to all the bus drivers for continuing to transport our students safely to and from school each day. It is a big responsibility, which we know is not taken lightly and we recognize that without those busses bringing the children, it would be very difficult to run the school.
