

G. Curriculum and Instruction
Policy H-101: Locally Developed Courses
Policy

The Charter board recognizes that there may be a need to supplement student programs with locally developed courses in order to meet Charter Board goals, promote and cultivate the unique interests and abilities of students or to foster educational improvement and excellence through innovative courses developed by the School.

The Superintendent is responsible for the administration of this policy.

Guidelines

1. Locally developed courses shall be consistent with the expectations of the Charter and meet all requirements set out in provincial legislation and policy.
2. Any locally developed course becomes the property of the Charter Board, and as such, the Charter board retains copyright for the course and all associated learning resources and materials.
