Did you know the Valhalla community is 100 years old?

There is a community committee planning events to celebrate this community milestone. They have asked the school for help in getting their message out!

The message is especially for the many young families who are part of our school community.

This celebration is for **everyone**, young and old. There will be games and a bouncy castle for the children both days (June 30 & July 1). Registration for children and students (including those attending college or university) is **free** if they are registered with their parents. The adult registration fee is \$40 per person. Included in the registration is: **breakfast, lunch and supper on June 30 and breakfast on July 1.**

Historic Valhalla Building: Valhalla Lutheran Church

Many community groups, including the Valhalla School Foundation Charter board are planning to contribute their support to help this celebration succeed.

Won't you consider making this a part of your summer too?!
