Hero in Our Community!

By: Josie K.

Jolene Kochendorfer has been a BIG help and a hero in our community! She has led our school in its efforts to stay open! As well as raising a family of four children, she is very involved in our community! Jolene has been involved with our school since 1990! She also was a student here from kindergarten to grade 6! She became a school aide in 1992-1993! Her role in her school currently is Board Chair! Jolene was one of the people to fight for our school's survival, and we thank her for her help! Heroes are a very good thing to have in a community, and we all are glad to have Jolene! ☺

Jolene was quoted, "I definitely enjoy being part of this school. It has been a privilege to be able to work with all of the many people who have made up such a great team of school supporters. I have had wonderful opportunities to learn new information and new skills and to meet new people, even when things have been difficult, it has been a great opportunity to grow."

It's great to hear that people are proud of our school! Jolene is one of many people that are heroes in our community! I'm very glad I had an opportunity to interview Jolene! It has been a blast!
