VCS Students Prepare for High School!

VCS's first class of grade 9 students is already thinking about High School!

On Monday, April 23, our grade nine students will be heading to Beaverlodge Regional High School for an orientation session. This is step 1 in a process of getting familiar with and preparing to attend high school next year.

The session will take about an hour, after which students will return to VCS for the rest of their school day.

Students have been given a consent form which needs to be signed and returned to VCS if they wish to participate.

There will be a parent information night on May 7 at 7pm at BRHS to get more information to students and their families.

Registration Time!

It's that time of year again ... time to start determining numbers of students returning to VCS for next year.

The school needs this information in order to plan classes and programs for next year. Once numbers of returning students are determined, VCS can determine space availability for new students.

Attached to this newsletter is an "Intent to Re-register" form. Please fill out this form and return to the office as soon as possible, and no later than Thursday, April 26. If you need more information please contact the office.

Your attention to this matter will help us a lot with planning for next year. Thanks for your help with this!

Do You Have a Computer Headset Your Child Could Use at School?

We're working toward having each student from grade 3 - 9 assigned a headset for their exclusive use. At this time we don't have enough sets, so students have to share sets between them. If you have a headset with microphone that your child/ren could use at school, they could have the benefit of exclusive use of a set sooner!

Selection Criteria

Our student capacity as defined by the Charter is 110 students, grades 1 through 9 (this number does not include Kindergarten students). We are not allowed to exceed this number of students. With our growing student numbers, we will need to begin to implement our selection criteria. We will be implementing grades 1 through 9 next year.

Student selection criteria as defined in our Charter states the following:

If enrolment applications by students exceed the maximum student capacity of the school the following criteria will be used for selection purposes.

Priority will be given to:

1. Students within the designated Valhalla Community School boundary.
2. Siblings of students already attending the VCS.
3. First come first served to all other students.
