"Welcome Back!"

School News!

The newsletter is available on the Valhalla Community School website.

Friday, April 24th is a school day for K to 6. Can you believe it, April is swiftly disappearing!

The students have raised \$194.87 in the "Pennies for Patients" campaign. This is a tremendous showing in a very short time. These monies will go to assist kids with cancer. Give yourselves a 'pat on the back' for supporting your peers.

Registration packages are now available in the office for those students **presently attending** Valhalla Community School. These **are lengthy** this year as we **must collect and verify** the information that we have on file. This information is very necessary for audit purposes. Next **Tuesday, April 28**th, this package will come home with **each student**, please watch for it.

A **Pre-Registration** document is available at the school office for **new students** (**kindergarten to grade 8**) wishing to attend Valhalla Community School beginning **September 2009**. This **pre-registration** document is also available on the **school website**. It may be downloaded, completed then faxed or dropped off at the school office.

Keep those Book Banners coming; you are doing a great job! Watch for and update of numbers next week☺
