## IMPORTANT COVID-19 MEASURES UPDATE:

As we are sure many of you are aware, new COVID-19 measures were announced yesterday afternoon by the Alberta Government. As of Monday, November 30th, all grade 7 to 9 students are required to do at-home learning. Kindergarten to grade 6 students will continue learning at school, in person, until December 17th which is when our winter break begins.

It is important to note that all grade 7-9 students will need to take home any required learning materials at the end of the day Thursday, November 26. These students will need to login to their Google Classrooms from home each school day, make a comment to confirm their attendance and follow instruction as per their teacher's post.

Please email your child's teacher if you have any questions regarding school work, or call the school 780-356-2370 with any general questions or concerns.

*To the Valhalla School Community Friends and Family,*

*Valhalla Community School (VCS) School Council is made up of Parents, School Administration and Staff, Foundation Board Members, and community members. School Council serves primarily as an advisory board to the school administration and to the VCS Foundation Board. The Council also participates in fundraising. Funds raised by School Council are used to support programs and physical needs of the school.*

*As a Council we are excited to be able to raise enough money each year, mostly through generous donations, to provide funds for extra programming and specific items for the school.*

*We are hosting our annual Christmas Concert silent auction again this year but because of the new restrictions we will be hosting it online. If you wish to donate a non-perishable item for auction at this event, please send or drop off at the school office. Because of the extra time it takes to hold an online auction we are kindly asking for all donations to be handed into the school by December 4<sup>th</sup>, 2020 and our deadline for auction items is December 7<sup>th</sup>, 2020. It would be really appreciated if you included a title and description of your auction item. If you have any questions or concerns, please contact Sarah Miller.*

*We will open for bidding on December 10<sup>th</sup> and the QR code at the bottom of this letter will take you directly to the Auction page.*

*Thank you for your generosity and support!*

*Sincerely,*
