

Curriculum Update Grade 3/4 Class February 21st, 2019

Math – Ms. Paul

Working on multiplication skills. Many students are able to multiply up to 5 x 5 by memory. Others find the products by skip counting.

Language Arts – Mrs. Lowen

The students have been working really hard in the grade 3/4 classroom. All of the students did a fantastic job of writing and presenting their speeches again this year. The school-wide Spelling Bee is right around the corner! Word lists went home last week.

French – Miss. Lewis

Currently in French we are working on Les points Cardinaux et la Direction, changing articles, and learning how to explain directions. We also will be starting our animal and sports projects.

Social – Mr. Heikel

We are continuing exploring countries in different continents. We are starting India and looking at south Asia geography and cultures.

Science – Mr. Heikel

Students are exploring testing and building with different materials. We have completed a project on blueprints and next we will be testing pasta bridges.

If you have any questions or concerns about any of the information in this letter, please contact your teachers directly.

Thank you,
