Valhalla Community School welcomes all children to a safe and nurturing learning environment that respects the uniqueness of each child. We take pride in helping students learn and explore while they build relationships that are based on respect, honesty and integrity. As a public Charter School, our students not only learn the skills they need to excel academically, but they also develop the qualities that will allow them to become confident, compassionate citizens of the future. Kindergarten lays the foundation for future success-both in the classroom and in life. At Valhalla Community School, we work to create a learning experience that recognizes children's individual strengths and encourages their natural inquisitiveness, while preparing them for academic success through our Direct Instruction program
