Busy Evening Planned!

September 26, 2013 looks to be a busy afternoon and evening at VCS. Several meetings have scheduled to occur that day, the hope being that one full evening will be easier for parents than several meetings on separate dates.

The annual Terry Fox Run happens beginning at 2 pm. Following is a "Meet the Teacher" barbe-que from 4-7 pm. Finally, the start up meeting for this year's Parent Council (7:00pm). Parents can visit teachers, tour the school, enjoy a community potluck all in the same day!

All parents are asked to attend if at all possible.

Council serves an important advisory / We Need Your communication role.

Participation!!

Welcome to School Council!

A school council is a collective association of parents, teachers, students and community representatives who work together to effectively support and enhance student learning. It is a vehicle for parents to advise and consult with the principal and to advise the charter board on matters relating to the school.

We are hoping that you will consider lending your time and talents to our school council. Your support is important to the education of the children within our community and we know that you will find this experience rewarding.

There are many opportunities for involvement, in addition to attending the regular school council meetings, sitting on a short term committee or offering to share your skills with the group. We welcome your participation in any way that works for you.

Please

*Note!!
The newsletter is available on the school website. Bus cancellations are also posted on the website.*

Important VCS Notes!

Each year brings changes. Sometimes different routines are hard to remember and get used to. Always though, the purpose of trying something new is to improve the students' school experience. Help us in this ongoing effort!

This year we have enough lockers for all students in grades 3-9. Parents are asked to supply their children with a suitable quality combination lock to keep personal items secure and ensure locker doors stay closed. Teachers will be doing regular locker cleanup and inspection with students to promote personal responsibility and hygiene.

Early dismissal on Mondays will continue this year.

The aim is to provide teachers with time to study and work together regularly to benefit students' learning and classroom experience. Classes will dismiss at 3:10pm each Monday.

Agendas

All K-6 students are given agendas to help organize their school activities. Parents are asked to initial the agenda **each evening.**

Teachers will have homework and messages written in agendas. The agenda is an excellent way for home and school to communicate. Notes regarding absence, bus travel, parent pick up may also go in the agenda; let your child know to share your message with the teacher and office if need be.

Junior High teachers can be contacted directly by parents.

Effective and timely communication between school and home is a critical part of the partnership that makes our school community special!

Seeking All Volleyball Players!!

At this point I do not have enough players for a girls' team or a boys' team for our after school, extra-curricular volleyball program. If there are any more grade 6-9 students interested, please come see Mrs. Flint this week. For now, beginning next week, I will offer a once a week vb session after school where we can work on our skills for half of the practice and then mix up into teams and do some fun triple ball games.

Stay tuned for the first session next week.
