## Speech Competitions Coming!

Students in all grades are beginning to prepare for the VCS annual speech competition. The competition will be held on February 23, 2018.

Preliminary competition will be held during school hours in class. Winners in each competition level will advance to a finals speak-off which will be held on the evening of February 23rd.

All students will do an age appropriate public speaking activity in class. The best of these will present their efforts at the Feb.23 evening event.

While students will be given some time in school to work on their written and impromptu speeches, they will need to spend some time at home working on them as well to achieve their best effort.
