## Registration Days April 16, 17, 18

Administration has given a lot of thought into ways to strengthen the relationship between the school and our families. We want to be more intentional about working with families and having parents involved and active in the school.

Again this spring, we will be hosting a 2018/2019 Registration Week for our students.

From **April 16 to April 18**, we ask parents to book one evening appointment at the school to come in and complete the registration process for the 2018/2019 school year. From **8am to 8pm** each day, bookings for 30 minute time slots will be available. Please bring birth certificates or Canadian citizenship documents with you. We will also need to know your legal land description or town /county address. School fees are due at this time to complete registration.

Once all our existing families have registered (by April 18), the school will be considering wait list students for any class spaces that remain available.

**Call the school office to book your appointment! If the school does not hear from you we will be contacting you to arrange a time. Registration must be completed by April 19th, 2018.**
